

Section B: Please check the following columns using the scale below.

Climate	Statement	AGREE	NEUTRAL	DISAGREE
Pride	I am proud of Roosevelt Public School.			
Physical Environment	The building, grounds, and overall environment of the school is safe, maintained and welcoming.			
Learning Environment	The teachers, staff, and school personnel strive to create a respectful and safe learning environment.			
Communication	The communication from the school is open, inclusive and respectful.			
Standards	The school strives to meet and exceed the standards held by the New Jersey Department of Education.			
Relationships	The teachers, staff and personnel strive to build strong relationships with students and families.			
Extra Curricular Activities	The extra- curricular activities are satisfactory.			
Parent Involvement	RPS strives to get parents and community members involved in school activities.			
Community Connection	There are opportunities for community members to be involved and connected to the school.			
Growing Enrollment	You would suggest a new resident moves into town based on the school.			

Section C:

Your opinion counts. Please add any additional comments you may have about the climate of Roosevelt Public School.

1.What do you find are the strengths of RPS as a school?

2.Do you see any areas needing improvement?

3.Additional comments regarding the climate of the school are welcome.

Completed Surveys:

If you need additional forms you can download them from the RPS website. Your opinion matters to us and we thank you in advance for your time and input.

Please return this survey by January 6, 2017. Surveys can be returned in one of three ways: 1) Drop a completed paper survey in the “Drop Box” located in Borough Hall; 2) drop a completed paper survey in Roosevelt Public School’s Main Office

or 3) complete the survey on line and submit it at:
